This monthly metrics report provides certain limited purpose monthly performance results of Wealthfront Corporation and its consolidated subsidiaries ("we," "Wealthfront" or the "Company"). This information is presented without commentary and should be read in conjunction with our most recent quarterly and annual results and our filings with the U.S. Securities and Exchange Commission (the "SEC"), which are available under the "Financial Information" tab of our Investor Relations website at ir.wealthfront.com.

The information provided is unaudited and the information for the months in the most recent fiscal quarter is preliminary, based on our estimates and subject to completion of our financial closing procedures. During the course of the financial close process, the Company may identify items that would require it to make adjustments, which may have a material impact to the information presented in this monthly metrics report, and final results for the fiscal quarter, as reported in our quarterly and annual filings with the SEC, may vary from the information provided herein. Past performance is not necessarily indicative of future results, and due to the limited nature of this data, a consistent correlation to earnings should not be assumed.

We intend to make these monthly metrics reports available on a regular basis on our Investor Relations website. We expect monthly metrics reports regarding each of the first two months of each fiscal quarter to be available towards the beginning of the following month. We expect the monthly metric report for the third month of each fiscal quarter to be made available alongside our quarterly earnings announced for that completed quarter.

In addition to filings we make with the SEC, we use our Investor Relations website (ir.wealthfront.com), our X account (@Wealthfront), and our LinkedIn page (linkedin.com/company/wealthfront) as means of disclosing material non-public information and for complying with our disclosure obligations under Regulation FD.
